

MySensors internal
APIs and functionalities

RF24

```
graph RL; RF24[RF24] --> APIs[MySensors internal APIs and functionalities];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'MySensors internal APIs and functionalities'. The box on the right is gray with a black border and contains the text 'RF24'. A horizontal black arrow points from the right side of the 'RF24' box to the left side of the 'MySensors internal APIs and functionalities' box.
