

Library customisation

Tips for reducing memory  
footprint

```
graph LR; A[Tips for reducing memory footprint] --> B[Library customisation]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'Library customisation'. The box on the right is light gray with a black border and contains the text 'Tips for reducing memory footprint' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the tips to the customisation.
