

Serial and debugging

Over The Air firmware

```
graph RL; A[Over The Air firmware] --> B[Serial and debugging];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'Over The Air firmware'. The box on the left is white with a black border and contains the text 'Serial and debugging'. A black arrow points from the right side of the gray box to the left side of the white box.
