

MySensors internal
APIs and functionalities

MyEepromAddresses

```
graph LR; A[MyEepromAddresses] --> B[MySensors internal APIs and functionalities]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'MySensors internal APIs and functionalities'. The box on the right is gray with a black border and contains the text 'MyEepromAddresses'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or dependency from the EEPROM addresses to the internal APIs.
